What is Online Giving?

The Online Giving is an electronic funds transfer method that allows you to make contributions to Saint Gabriel Church without writing checks or worrying about envelopes. It is completely secure; essentially you authorize your bank to transfer to Saint Gabe's bank account the donation that you determine – just like telling your bank to pay your gas bill. Saint Gabe's is then informed of your donation.

With **Online Giving**, you are in complete control, you can schedule contributions to fit your financial situation and timeline. You could make a one-time, or a weekly, or a monthly donation. You can also make changes to your account directives whenever you like.
